

AB Sunshine Electronics GmbH

Our company profile:

AB Sunshine Electronics GmbH is specialized since 1998 in the wholesale with **active memory chips** (SDRAMs, FLASH-Speicher, SRAMs, EPROMs). According to demand we can also offer you other products from the IT-branch.

We are an **authorised distributor** for several memory manufacturers and offer many well-known brands especially **Samsung, ISSI, Spansion, Micron, Hynix, Elpida, Macronix, STM/SGS, Atmel, Chiplus, Hanbit, Lyontek, Nanya, Etron, Amic, AMD.**

We are an **international operating company** with head office in Germany and our major clients are from Asia, America and Europe.

Our company is also represented in USA (Texas), Taiwan (Taipeh) and in China (Shanghai).

Thanks to several years of good relations to integrated circuit manufacturers we are able to buy **directly from famous manufacturers** and offer you items at the **best price.**

Due to our extensive **storage capacity** we are able to ship lots of items on the **same day.**
